SOLEXIAN History

SOLEXIAN is a project of educators and administrators of former SOLEX College, taking its roots from rich history, hard work, lasting friendships, and tens of thousands of graduates from all over the world to this day calling themselves Solexians. It all started in 1995, when SOLEX Computer Academy was launched as a private for-profit business and vocational school and was authorized to operate through the Illinois State Board of Education (ISBE). In 2001, SOLEX Computer Academy became SOLEX Academy with an expanded menu of instructional programs to better respond to the training needs of students.

In 2001 SOLEX Academy was authorized under federal law to enroll nonimmigrant alien students and expanded its English as a second language offerings, added degree programs and in 2007 became SOLEX College. Over the years, foreign students from more than 63 countries attended SOLEX.

The growth and success of SOLEX College and its programs was very much a part of SOLEX's business and strategic planning. The staff and faculty of SOLEX College were always striving to provide quality education to students coming from a wide range of social and cultural backgrounds and prepare them to make a difference in the world.

In 2019 a dedicated group of seasoned educators from SOLEX College decided to build Solexian, a school based on SOLEX's core competency: quality ESL training for international students, professionals, and other non-native speakers. We continue our quest to fulfill Solexian's mission for the betterment of our institution, its students and international education community.

Accreditation Statement

Solexian is accredited by the Commission on English Language Program Accreditation (CEA) for the period of April 2022 through April 2027 and agrees to uphold the CEA Standards for English Language Programs and Institutions. Solexian accepts students 16 years and older. All students must submit a completed Solexian Application form and sign an Enrollment Agreement specifying the final confirmed enrollment details.

Admission and Registration

Solexian programs are conducted on an open-entry basis and accept students throughout the academic year.

Acceptance is contingent on the applicant meeting the prerequisites noted in the General Admissions Requirements section, and upon the applicant and authorized Solexian representative signing the Enrollment/Application Agreement. Students will receive written notification upon acceptance of the student by the school.

Readmission Policy

Any student, except those dismissed for conduct violations, may apply for readmission. The student must execute a new application agreement and pay the required fee.

Students dismissed for non-payment must pay the balance owed before being allowed readmission.

STUDENT SERVICES

Tuition and Fees

Tuition, book and fee rates at Solexian are subject to occasional review and revision based on factors that may include increases in program expenses and changing market rates for similar programs.

Although tuition, book and supply fees may increase from time to time, Solexian guarantees that students who are continuously enrolled in the same program will not be subject to changes in tuition and fees during their period of enrollment. A student is considered to be continuously enrolled in the same program as long as he or she has not been withdrawn from that program of study.

Payment Policy

Tuition payment is due in full or a payment plan must be agreed upon before the first day of class.

Payment is accepted in the form of credit card, money order, check, or cash. However, students having difficulty making full payment may work out a payment plan with the Student Services Office.

Students will be assessed a nonrefundable service fee of \$35.00 for checks returned for insufficient funds.

If the tuition remains unpaid, a second and final reminder will be sent to the student via email on the 20th day of class. If the balance remains unpaid at the 30th day of class, the student shall be administratively withdrawn from the program. Administrative withdrawal has no effect on the student's GPA. No student will receive a certificate of completion until full payment is made.

Buyer's Right to Cancel

The student has the right to cancel the initial enrollment agreement before the first day of scheduled classes to which the student has been accepted. The "Buyer's Right to Cancel" information is stated on the back of the enrollment agreement.

Cancellation and Refund Policy

Refunds are made when a student cancels or withdraws from a course of study within a specific timeframe. Refunds are also made if an applicant makes a payment to secure a position in the class, and the class is not held, or the applicant is not accepted for enrollment.

<u>Voluntary cancellation of enrollment</u> only occurs when a student gives notice of such Cancellation. Notice may be given in writing and delivered via regular mail or email, in person, or by phone in circumstances that prevent other delivery methods. The date

2024 Academic Catalog

of determination is based on the postmark date of the letter of Cancellation or the receipt date if the letter is hand-delivered to the school, emailed, or made verbally.

Refunds based on students' voluntary Cancellation or withdrawal from SOLEXIAN will be made within thirty (30) calendar days from the date of receipt of the student's Cancellation.

Involuntary cancellation of enrollment (administrative withdrawal). An unexplained absence of more than 15 school days shall constitute constructive notice of cancellation to the school. For purposes of cancellation, the date shall be the last day of attendance. SOLEXIAN may also terminate the student's enrollment for a cause. (See the **Satisfactory Academic Progress Policy** for more information on how and why the school may terminate a student's enrollment.) Refunds based on students' involuntary Cancellation or withdrawal from Solexian will be made within thirty (30) calendar days from the last day of attendance.

Refund Calculations

- Applicants who are not accepted for enrollment by SOLEXIAN shall receive a refund of all tuition and fees paid within 30 calendar days after the determination of non-acceptance is made.
- Any deposit or down payment made by the student or on behalf of the student shall become part of the tuition.

For students accepted into SOLEXIAN, refunds are calculated as follows. When written notice of cancellation is received:

- Before the first day of scheduled classes, the student receives a 100% refund of all tuition.
- After the first day of scheduled classes, but before completing the first week of the course, the school shall retain 10% of the tuition amount and other instructional charges, plus the cost of any textbooks and materials provided to the student by the school.

After completion of the first week of the course, the school shall retain the cost of books and materials supplied to the student by the school and a percentage of tuition as stated in the following table:

Percentage of days in class completed by the student at time of notice of cancellation:	Amount of Student Refund	Amount School may retain
Before the First Day of classes	100% of tuition	\$50 registration fee
After the first day	Cost of tuition less than 10% of tuition and other charges.	10% of tuition and additional instructional expenses, plus the cost of any textbooks and materials
After the first week or 25% of course	Cost of tuition less than 55% of tuition and other charges.	45% of tuition and additional instructional expenses, plus the cost of any textbooks and materials
Over 25% to 50%:	Cost of tuition less than 30% of tuition and other charges	70% of tuition and other instructional expenses, plus the cost of any textbooks and materials
Over 50%:	0%	All contracted tuition and other instructional charges, plus the cost of any textbooks and materials

For refund purposes, the percent of days in class is calculated based on the total number of hours of training as reflected in the student's enrollment agreement. All refunds will be issued or paid to the student within 30 calendar days of receipt of the cancellation notice.

- Registration fees and all other fees are non-refundable.
- SOLEXIAN does not make refunds that exceed those prescribed in the above table.
- No refunds will be made after the student completes more than 50% of the instructional program.
- SOLEXIAN shall refund all monies paid to it if the course of instruction is canceled or discontinued.

Refund Procedure

- Refund calculations are reviewed for accuracy before issuing a refund check to the student.
- The staff bookkeeper issues a check payable to the student.
- Checks are mailed within seven working days or held at the student's request for pickup.
- A copy of the check is retained in the student's file.
- The staff accountant maintains a log of refunds.

Transcript Policy

Transcripts are available to students who have completed at least one evaluation period and all financial obligations to the school have been met. A student must request a copy of their transcript by filling out the Transcript Request Form at the Student Services Office. The student must allow five business days for processing and may choose to pick up the transcript in person, or have it mailed or faxed to them.

The first requested transcript is given to the student free of charge and a \$15 fee is assessed for each additional copy of the transcript.

Emergency Notification

In the event that a situation arises, either on or off SOLEXIAN campus and its campus additions, that, in the judgment of the President, constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning may be issued through several forms of communication, such as: campus-wide e-mail and text messaging. Depending on the particular circumstances, especially in all situations that could pose an immediate threat to the community and individuals, SOLEXIAN may also post a notice on the website.

Anyone with information warranting a timely warning should report the circumstances to SOLEXIAN administration, by contacting us at (877) 829-9595.

Campus safety report is available at www.solexian.edu

ACADEMIC POLICIES

Placement and Exit Tests

To be eligible to enter the Intensive English Program, students must take a placement test which assesses the student's ability in Listening, Grammar, Vocabulary and Reading. Students are then placed into the appropriate level based upon placement test results. At the completion of each term students will be required to take a post-test to ensure they are progressing in their English development.

Solexian presently utilizes Michigan English Placement Test (Michigan EPT) that assesses receptive language proficiency and allows teachers and program administrators to reliably place ESL students into appropriate ESL classes, from the beginners to advanced learners.

Attendance Policy

Minimum Requirements

Solexian expects students to attend every scheduled class session.

Full-time enrollment constitutes a minimum of 18 clock hours per week. International students must enroll as full time students to maintain their F-1 student status. A student must attend a minimum of 70 percent of the scheduled class hours during each evaluation period and must have 70 percent cumulative attendance in order to meet satisfactory academic process and graduation requirements.

Absences, Tardiness and Early Departure

Solexian uses the following definitions when evaluating student attendance:

Absence: The student does not attend the assigned class session.

Tardiness: A student enters the class more than 15 minutes after the designated start time.

2024 Academic Catalog

Early Departure: A student leaves the class 15 minutes or more prior to the class being dismissed.

Absences, tardiness and early departures will be recorded on the roster by the instructor with times noted as appropriate. Arriving late and leaving early affects the determination of a student's 70 percent attendance requirement.

Tracking

Attendance is tracked in every class period by the instructor, to the nearest quarter hour. Each day the class rosters are collected by the administration, and the data are recorded in the student's electronic records. The cumulative attendance information is contained in student progress reports for each evaluation point.

Attendance Probation and Termination

Students are sent probation letters if they fail to meet the 70 percent cumulative attendance benchmark at each evaluation point according to the procedures outlined in the Satisfactory Academic Progress Policy.

Students who fail to raise the cumulative 70 percent attendance requirement at the end of the probationary period will be administratively withdrawn. Administrative withdrawal for attendance will result in the termination of an F-1 student's status. Reinstatement or departure from the United States will be required.

A student who misses 15 consecutive days of classes will be administratively withdrawn and his/her F-1 student status terminated.

Leave of Absence Policy

Any student may be granted a Leave of Absence (LOA) for legitimate emergencies. Generally, only one LOA shall be granted in a 12-month period, and for a maximum of 60 school days. More than 60 school days may be granted to allow a student to re-enter a class at the point at which the student left for the LOA.

The LOA, together with any additional leaves of absence, must not exceed a total of 180 days in any 12-month period.

2024 Academic Catalog

A student must request the LOA in writing in advance of the beginning date of the leave of absence unless unforeseen circumstances prevent advance notice. All requests for a leave of absence must be made in writing, signed and dated by the student, and submitted to Student Services. The anticipated date of return must be indicated on the request. A Student Services associate will meet with the student personally to discuss the request and determine whether the leave will be granted. The student will be informed of the decision no later than five (5) days after receipt of the request.

The student must contact the Student Services Office one week before their LOA authorization expires and register for the next session. If a student fails to attend school on the scheduled date of return from a leave of absence, that student will be terminated. Any refund due the student will be paid within 30 days from this documented drop date.

Satisfactory Academic Progress

To be making satisfactory academic progress, a student must attend at least 70% of the scheduled class hours on a cumulative basis during each evaluation period and to have a minimum 2.0 grade point average by graduation.

For the purpose of determining overall satisfactory progress, each program is divided into evaluation periods. The evaluation period is the period of time between two evaluation points. To be considered as making satisfactory progress, a student must achieve a minimum academic grade point average at each evaluation point according to the chart below:

English Course	First	Second
Intensive English	2.0	2.0
TOEFL preparation	2.0	2.0
Business English	2.0	2.0
Public Speaking	2.0	2.0

Probation

A student who does not meet minimum academic grading requirements at any evaluation point will be given an academic warning for the following evaluation period. If a student who has received an academic warning fails to meet grade average requirements at the next checkpoint, he or she will automatically be placed on academic probation. The student will be removed from probation if he or she has successfully raised the academic grade point average. Failure to correct the problem by the end of the probationary period will result in administrative withdrawal from the program. Administrative withdrawal will result in the termination of an F-1 student's status. Reinstatement or departure from the United States will be required.

Students who are terminated for lack of satisfactory progress are responsible for meeting their financial obligations to the school.

Completion Rate requirements

Grade	Course work attempted	Course work completed	Calculated in GPA
A-D	Yes	Yes	Yes
F	Yes	No	Yes
Incomplete (I)	Yes	No	No
Withdrawal (W)	Yes	No	No
Academic Withdrawal (AW)	Yes	No	No
Repeated course (R)	Yes	No	No

New Program	Yes	Yes	Yes

Maximum Time Frame

The student must complete their course of study within a maximum of 2.0 times the standard course length, as measured by the offered contact hours. This limit of 2.0 times the regular program length is defined as the maximum time frame. Any time spent on an approved leave of absence is not counted against the maximum time frame.

Course repetitions

Students who receive a grade F for a course/level attempted must repeat the course/level. The better of two grades will be used to calculate the academic grade average. The lower grade will be converted to a grade "R" indicating that the course has been repeated. Both original and repeated credits will be counted as attempted credits in academic progress calculations.

Incomplete grade

An incomplete grade "I" signifies that not all the required coursework was completed during the term of enrollment. The "I" grade is assigned only if the student has been making satisfactory progress in the course but is unable to complete the coursework because of unusual circumstances that are deemed acceptable by the instructor. The "I" grade is not calculated into the term GPA or CGPA at the time it is awarded. All required coursework must be complete and submitted within two weeks after the end of the term. If course requirements are not satisfied by the deadline, the "I" is converted to an "F" and will affect the student's CGPA.

Grading Policy and Requirements:

The following chart outlines SOLEXIAN's grading system:

Grade	Numerical Value	Grade Description
Α	90-100	Excellent level of proficiency in the subject matter (4 points)
В	80-89	Very good level of proficiency in the subject matter (3 points)
С	70-79	Average level of proficiency in the subject matter (2 points)
D	60-69	Minimal understanding of the subject matter (1 point)
F	0-59	Failure to understand the subject matter (0 points)
I	N/A	Indicates coursework is incomplete
Р	N/A	Indicates a student has met all requirements of a course
W	N/A	Indicates voluntary withdrawal by the student
AW	N/A	Indicates involuntary (administrative) withdrawal from a course
AUD	N/A	Indicates a student has been placed temporarily into a course and will not receive a grade
R	N/A	Indicates a student has repeated a course

Graduation Requirements

A student must achieve a cumulative grade point average of 2.0 or higher at the end of the normal program length or at the end of the maximum time frame in order to be eligible for graduation. In addition, students must also maintain a cumulative minimum attendance of 70% of the total scheduled hours. Students must also meet their financial obligations to the school.

Graduates receive a certificate of completion confirming that all educational and administrative requirements have been met.

Confidentiality of Student Records

In accordance with California Rule 1.6: Confidential Information and California Code, Education Code EDC Paragraph 49602: Access to Child's Records, student records will only be made accessible or released to:

- The student;
- A person presenting written authorization by custodial/non-custodial parent or student;
- An employee or official of a school, DHS representative, State Board or Commission official, or accrediting agency official with current demonstrable educational or administrative interest in the student;
- The official records custodian of another school in which the student has enrolled, or intends to enroll, upon the request of such official or student;
- Pursuant to a court order or to any person as specifically required by State or Federal law (e.g. juvenile authorities; judges; education, medical or mental health service providers; law enforcement officers and prosecutors; military personnel); or
- Under emergency conditions, appropriate persons where such information is essential to the health or safety of the student or other persons.

Solexian will provide a student with an opportunity to review his or her educational records within 45 days of the receipt of the request. Solexian will either provide the student with copies of educational records or make other arrangements to provide the student access to the records if a failure to do so would effectively prevent the student from obtaining access to the records.

Individuals seeking to inspect and/or copy a student's permanent and temporary records will be referred to the President, who has the right to prevent such access unless proper authorization is given or such requests are in compliance with California Rule 1.6: Confidential Information and California Code, Education Code EDC Paragraph 49602.

2024 Academic Catalog

Whenever access to student records is made without the knowledge or consent of the parent (when the student is not of legal age) or student, the Academic Director will write to inform the parent or student of the release.

Nothing contained herein precludes the right to disclose information contained in student records in accordance with the provisions of the Family Education Rights and Privacy Act (FERPA) (20 U.S.C. 1232g; 34 CFR Part 99); General Education Provisions Act (GEPA) Section 445(b) (20 U.S.C. 1232h (b); the Homeland Security Act (Title 6, Ch. 1, Part 5); and the Freedom of Information Act (FOIA) 5 U.S>C. 552, As Amended By Public Law No. 104-231, 110 Stat. 3048.

A student may waive any of his or her rights under the Act and under these guidelines, including the right to inspect and review records. Such a waiver may be made with respect to specified classes of records and persons or institutions, but it must be made in writing and signed and dated by the student.

Directory Information

The following student data are designated as "Directory Information": student name, addresses, telephone number, major field of study, expected date of completion/graduation, certificates and awards received, dates of attendance, full/part-time enrollment status, previous school attended. Students may restrict release of information through a written request.

Student Code of Conduct

All students are expected to observe standards of social conduct, courtesy, and appropriate attire. Any behavior disrupting classroom activities or interfering with other students' studies may be grounds for suspension. The use of profanity, alcoholic beverages, or illegal drugs on school property is not permitted. Smoking is not allowed anywhere in the school. All forms of academic misconduct including but not limited to cheating, fabrication, plagiarism, forgery, alteration, or providing false information for official school documents is prohibited. Each student is held responsible for compliance with the rules and regulations contained in this catalog. Failure to comply by invoking ignorance will not absolve the student from responsibility.

Sexual and Other Harassment

Harassment may be expressed in, but is not limited to: words, signs, jokes, pranks, intimidation, physical contact, violence or threat of violence, and racial, gender or ethnic slurs. Harassment is not always sexual in nature. Sexual harassment may include unwelcome sexual advances, requests for sexual favors or other verbal or physical contact of a sexual nature when such conduct creates an intimidating environment, prevents an individual from effectively performing his/her duties. Faculty, staff and students may not engage in any form of verbal, physical, or emotional abuse, or harass, intimidate, or threaten to or use violence toward any student, visitor, client, instructor or staff member.

Individuals wishing to report a complaint of this nature should request a copy of either the SOLEXIAN Complaint Policy or Complaint Forms. Submit the written complaint directly to the President.

Complaint and Grievance

SOLEXIAN encourages informal resolution of grievances as a first step. Formal complaint systems exist for students and SOLEXIAN employees, to ensure that the complainant's legal rights are not violated.

A student may elect to use a School Official, or designee, to assist in resolution of the complaint. It is the student's responsibility to ensure that the correct procedure is followed.

In the event a student takes issue with any disciplinary action, evaluation or decision regarding his or her status at SOLEXIAN the grievance should first be presented to the faculty member or administrator directly responsible for the subject of the protest. Every effort should be made to resolve the problem through this informal procedure before further steps are taken. If differences are not resolved within 15 days, the student may appeal in writing to the faculty member or administrator's supervisor, who will then work to resolve the issue. In completing the Complaint Form, the student should include the following: the nature of the complaint(s); the date(s) of occurrence

2024 Academic Catalog

of the problem(s), not hearsay. All forms must be signed. It is the student's responsibility to ensure that the correct procedure is followed. If there is still no resolution, the matter will be reviewed by the President, whose judgment, after deliberating with all parties concerned, is considered final. Anonymous complaints will not be addressed. On all issues of discrimination, the President is the final authority. On academic issues, the Academic Coordinator is the final arbiter. SOLEXIAN personnel will write up a factual report of the circumstances of the complaint to document the findings. A log will be maintained by the Academic Coordinator and may be used in needs assessment and reviews of SOLEXIAN programs and services.

SOLEXIAN will notify the student of the final determination of the complaint within 30 days.

If a student does not feel that the school has adequately addressed a complaint or concern, the student may then consider contacting the appropriate regulatory agency. All complaints considered by regulatory agencies must be in written form, with permission from the complainant for the Commission to forward a copy of the complaint to the school for a response. The complainant will be kept informed as to the status of the complaint as well as the final resolution by the regulatory agency. Complaints against the school may be registered with the California Bureau for Private Postsecondary Education, Department of Consumer Affairs.
